## TEACHING FALCONS TO F.L.Y.

Welcome to the 2020-2021 school year. We look forward to providing the **BEST** possible educational experience for our students during this difficult time. Below you will find details regarding how students will receive their educational instruction.

### 1. Online

- **Online platform via Office 365**

- The student will login by going to the district website ([columbuscityschools.org](http://columbuscityschools.org))
- At the bottom of the page, click the Office 365 link.
- The student email will be their student number @columbuscityschools.org (ex. S1234@columbuscityschools.org) and the password is their birthdate (ex. 12/14/2007 or for single digit months and days 6/5/2011)
- **The student number is the same as the number used for Clever.**

### 2. Virtual learning will be on the A Schedule (Monday & Tuesday Purple Days). On other days (Wednesday's, Thursday's, and Friday's), students will log in on Teams 365 to complete instruction and submit assignments to be considered present for the day.

- During office hours, the teacher will remain logged on. Students can use this time to work in iReady or get assistance as needed.
- Students need two days of iReady math and ELA: each session 45 minutes. This will total 90 minutes per week for ELA and math separately.

### 3. Testing

- During testing time, virtual learners will use the school's "safe site" to take assessments (iReady, CASE, etc.) Parents must transport the student(s) to the school's "safe site". School personnel will call to schedule an appointment time for testing.
